Should We Take This Car to a Body Shop or a Dentist!!

President's Message

By Lee McDurmont

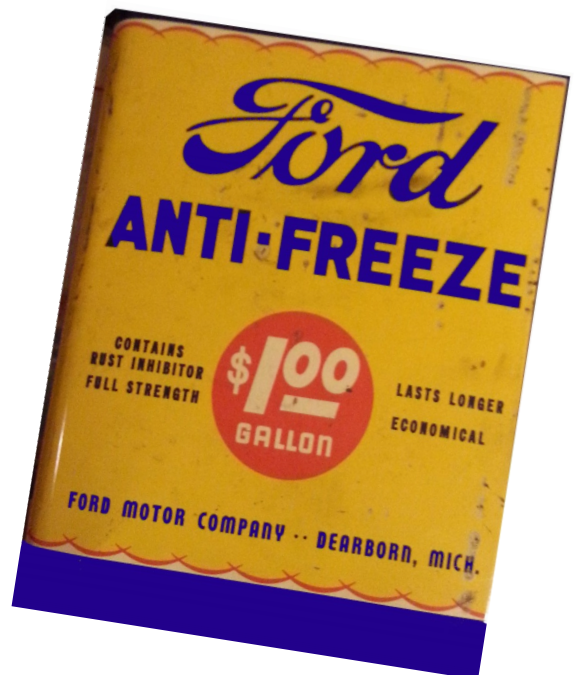

As Halloween is upon us, I hope that all is well you you and your families. We've had a few great weekends to get the cars out and observe the Fall colors. The drive to our Oct 16th gathering was also beautiful. At the winery we had 4 picnic tables reserved, good food, music and comradery amongst friends.

The November meeting place is still up in the air. I'll get the word out as soon as possible.

This is a good time to check the fluid levels in your vehicles, especially the antifreeze. You don't want a cracked engine block come Spring.

All the best,

Lee McDurmont

We are still looking for volunteers to host future 2022 meetings!

A special Thanks to Lee and Laura McDurmont for hosting our October meeting at Cedar Lake Cellars Winery. We had a good turnout and the weather was sunny and brisk.

Looking forward to details on November's meeting. Lee will send out details in the near future.

I was surprised and honored to see my Panel Delivery on the cover of the October issue of Old Cars Magazine. Apparently it caught the eye of their photographer on a recent visit to The Early Ford V-8 Museum in Auburn, Indiana.

Our condolences to club member Maxine Carroll on the recent loss of her son, Matthew Guy Carroll. May he rest in peace.

“Well, yes, it’s a routine procedure—if you routinely have someone slice open your body with sharp instruments and then fiddle with your insides.”

October Meeting Minutes ! By Gayle Roark

V8 meeting minutes, 10/16/2022

Thanks to Lee and Laura for booking the Cedar Lake Cellars. Lee thanked everyone for coming, and said it was just a day to get together. If no one volunteers for November Lee and Laura will host the next meeting. Russell suggested us going to the Village Café for December. He will make arrangements. The Village Café is the same restaurant where we meet for breakfast the first Saturday of each month.

We adjourned to listen to the live music.

Attendees:

Howard and Peggy Crawford, Don Rogers, Lee and Laura McDurmont, Russell and Gayle Roark, George Ball, Maxine Carroll, Mike and Diane Huber, Charlie Walters, John and Debbie Schmid.

Fire and Ice Cream

By Bonnie Abler (Reporter at Large)

I was invited to come for ice cream at the hotel next door to the convention center. Thought it was going to be a food truck and surprised it was a 1946 Ford fire truck manufactured in St. Louis so I had to get pictures. Interesting sign. When it started up to leave, it definitely smelled like an old Ford.
